

Distribución de las medidas de gravedad

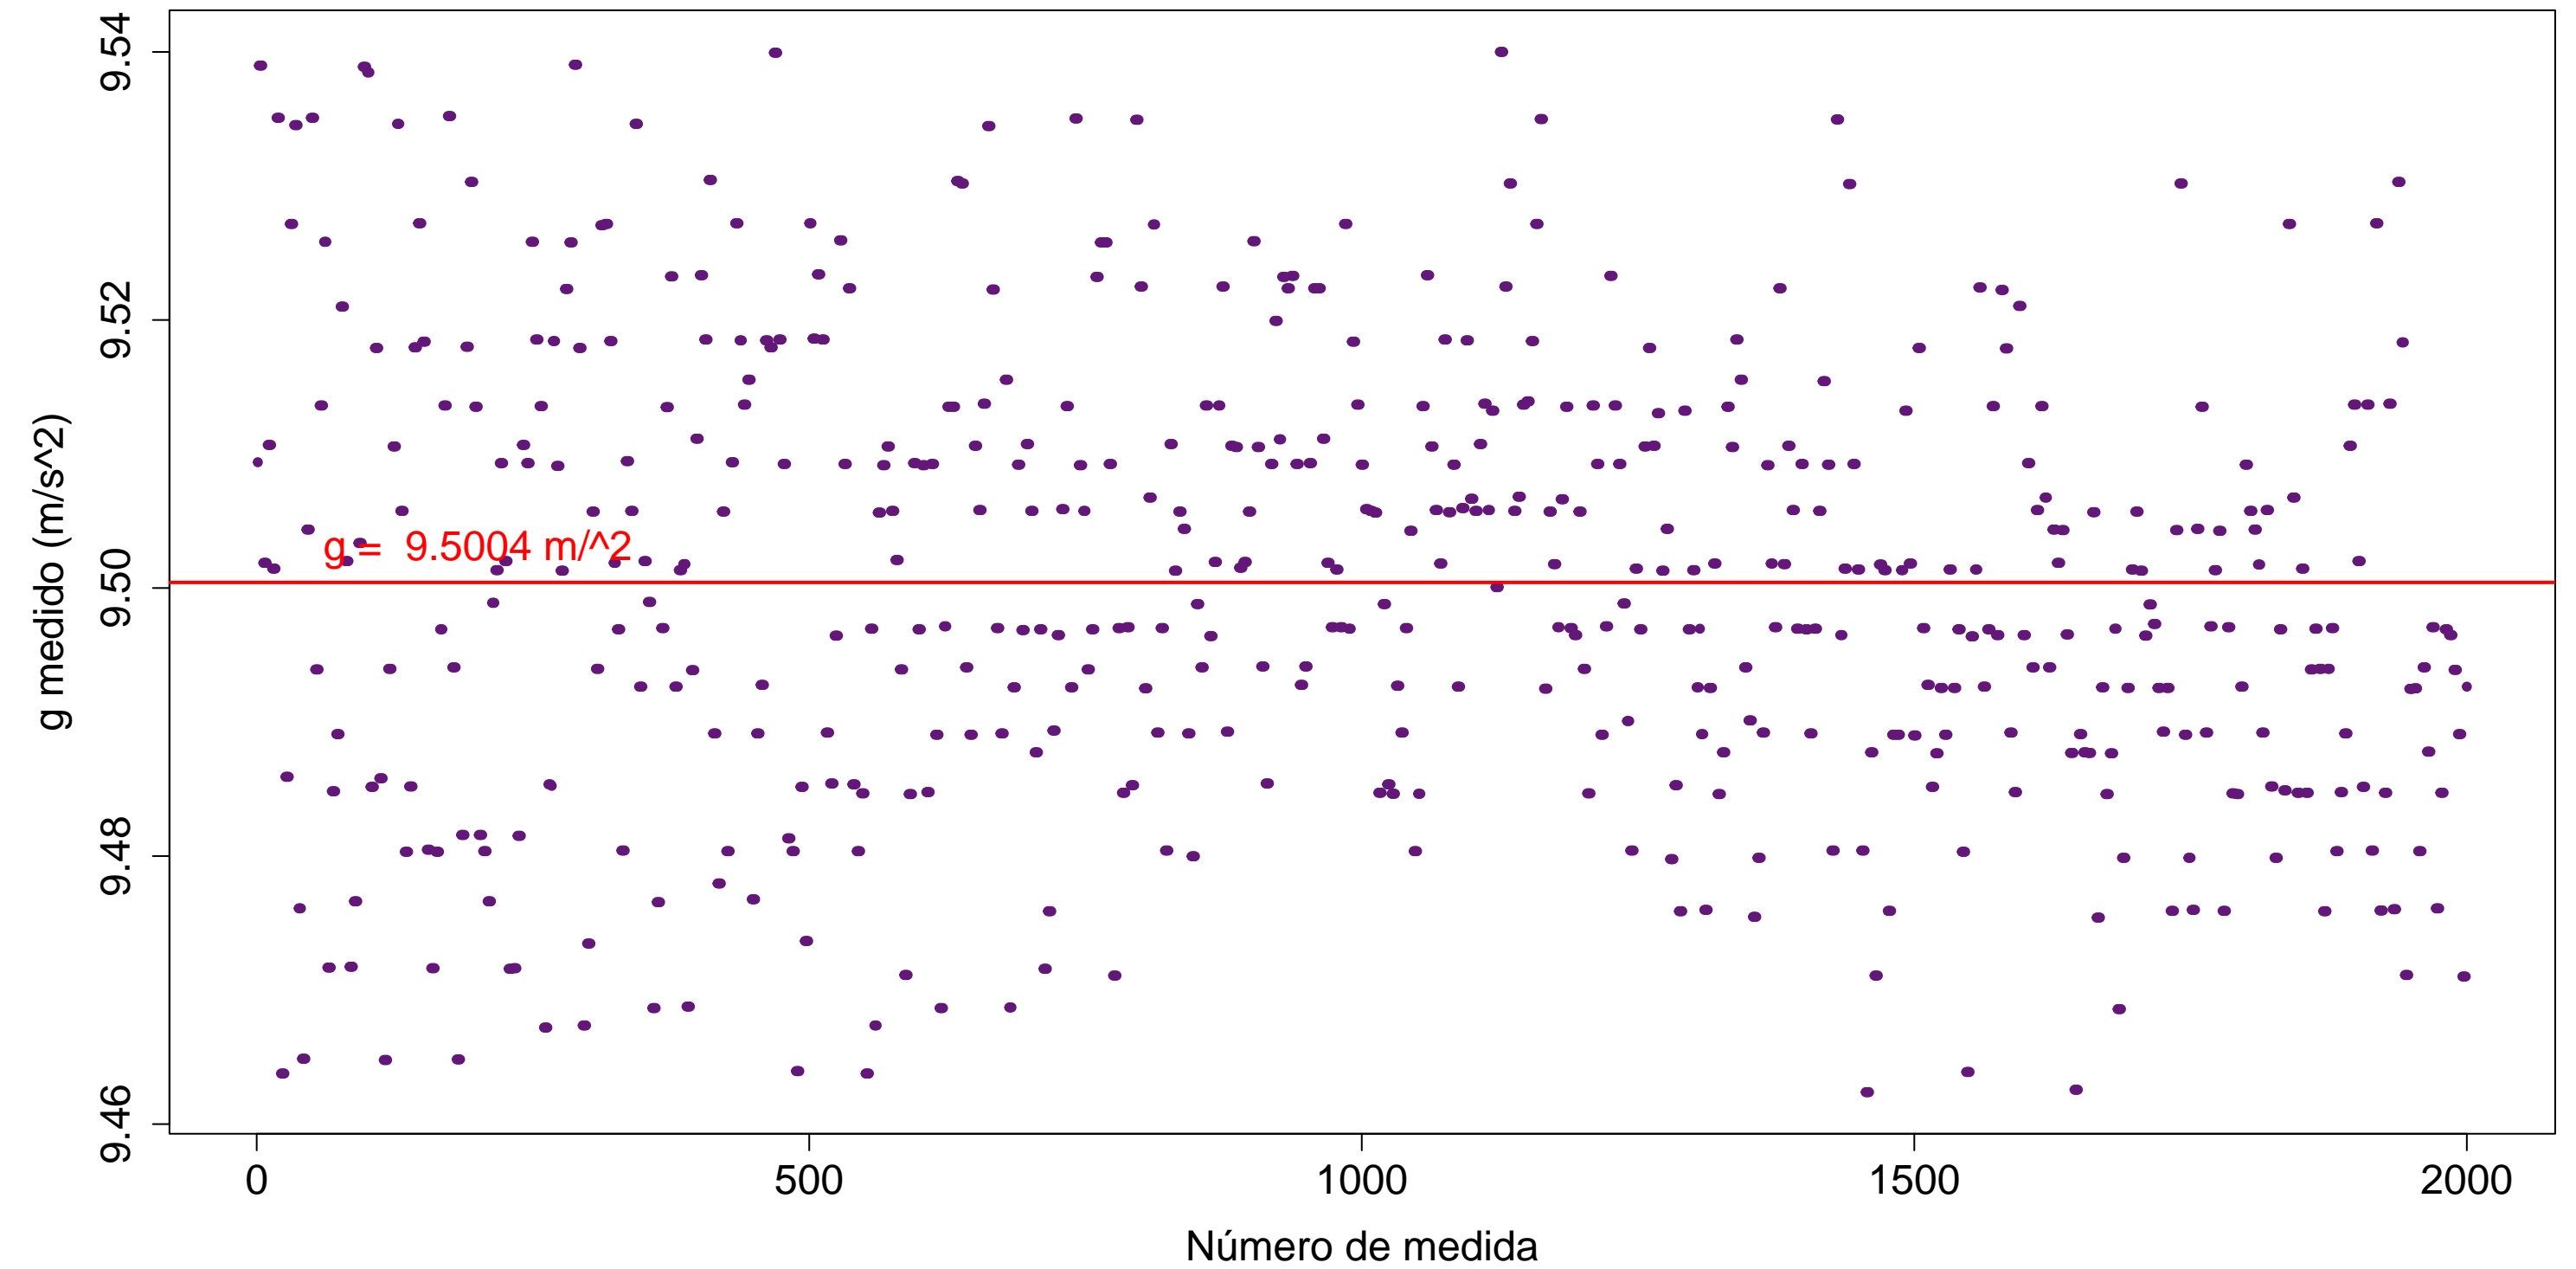

g de $\theta = 10$

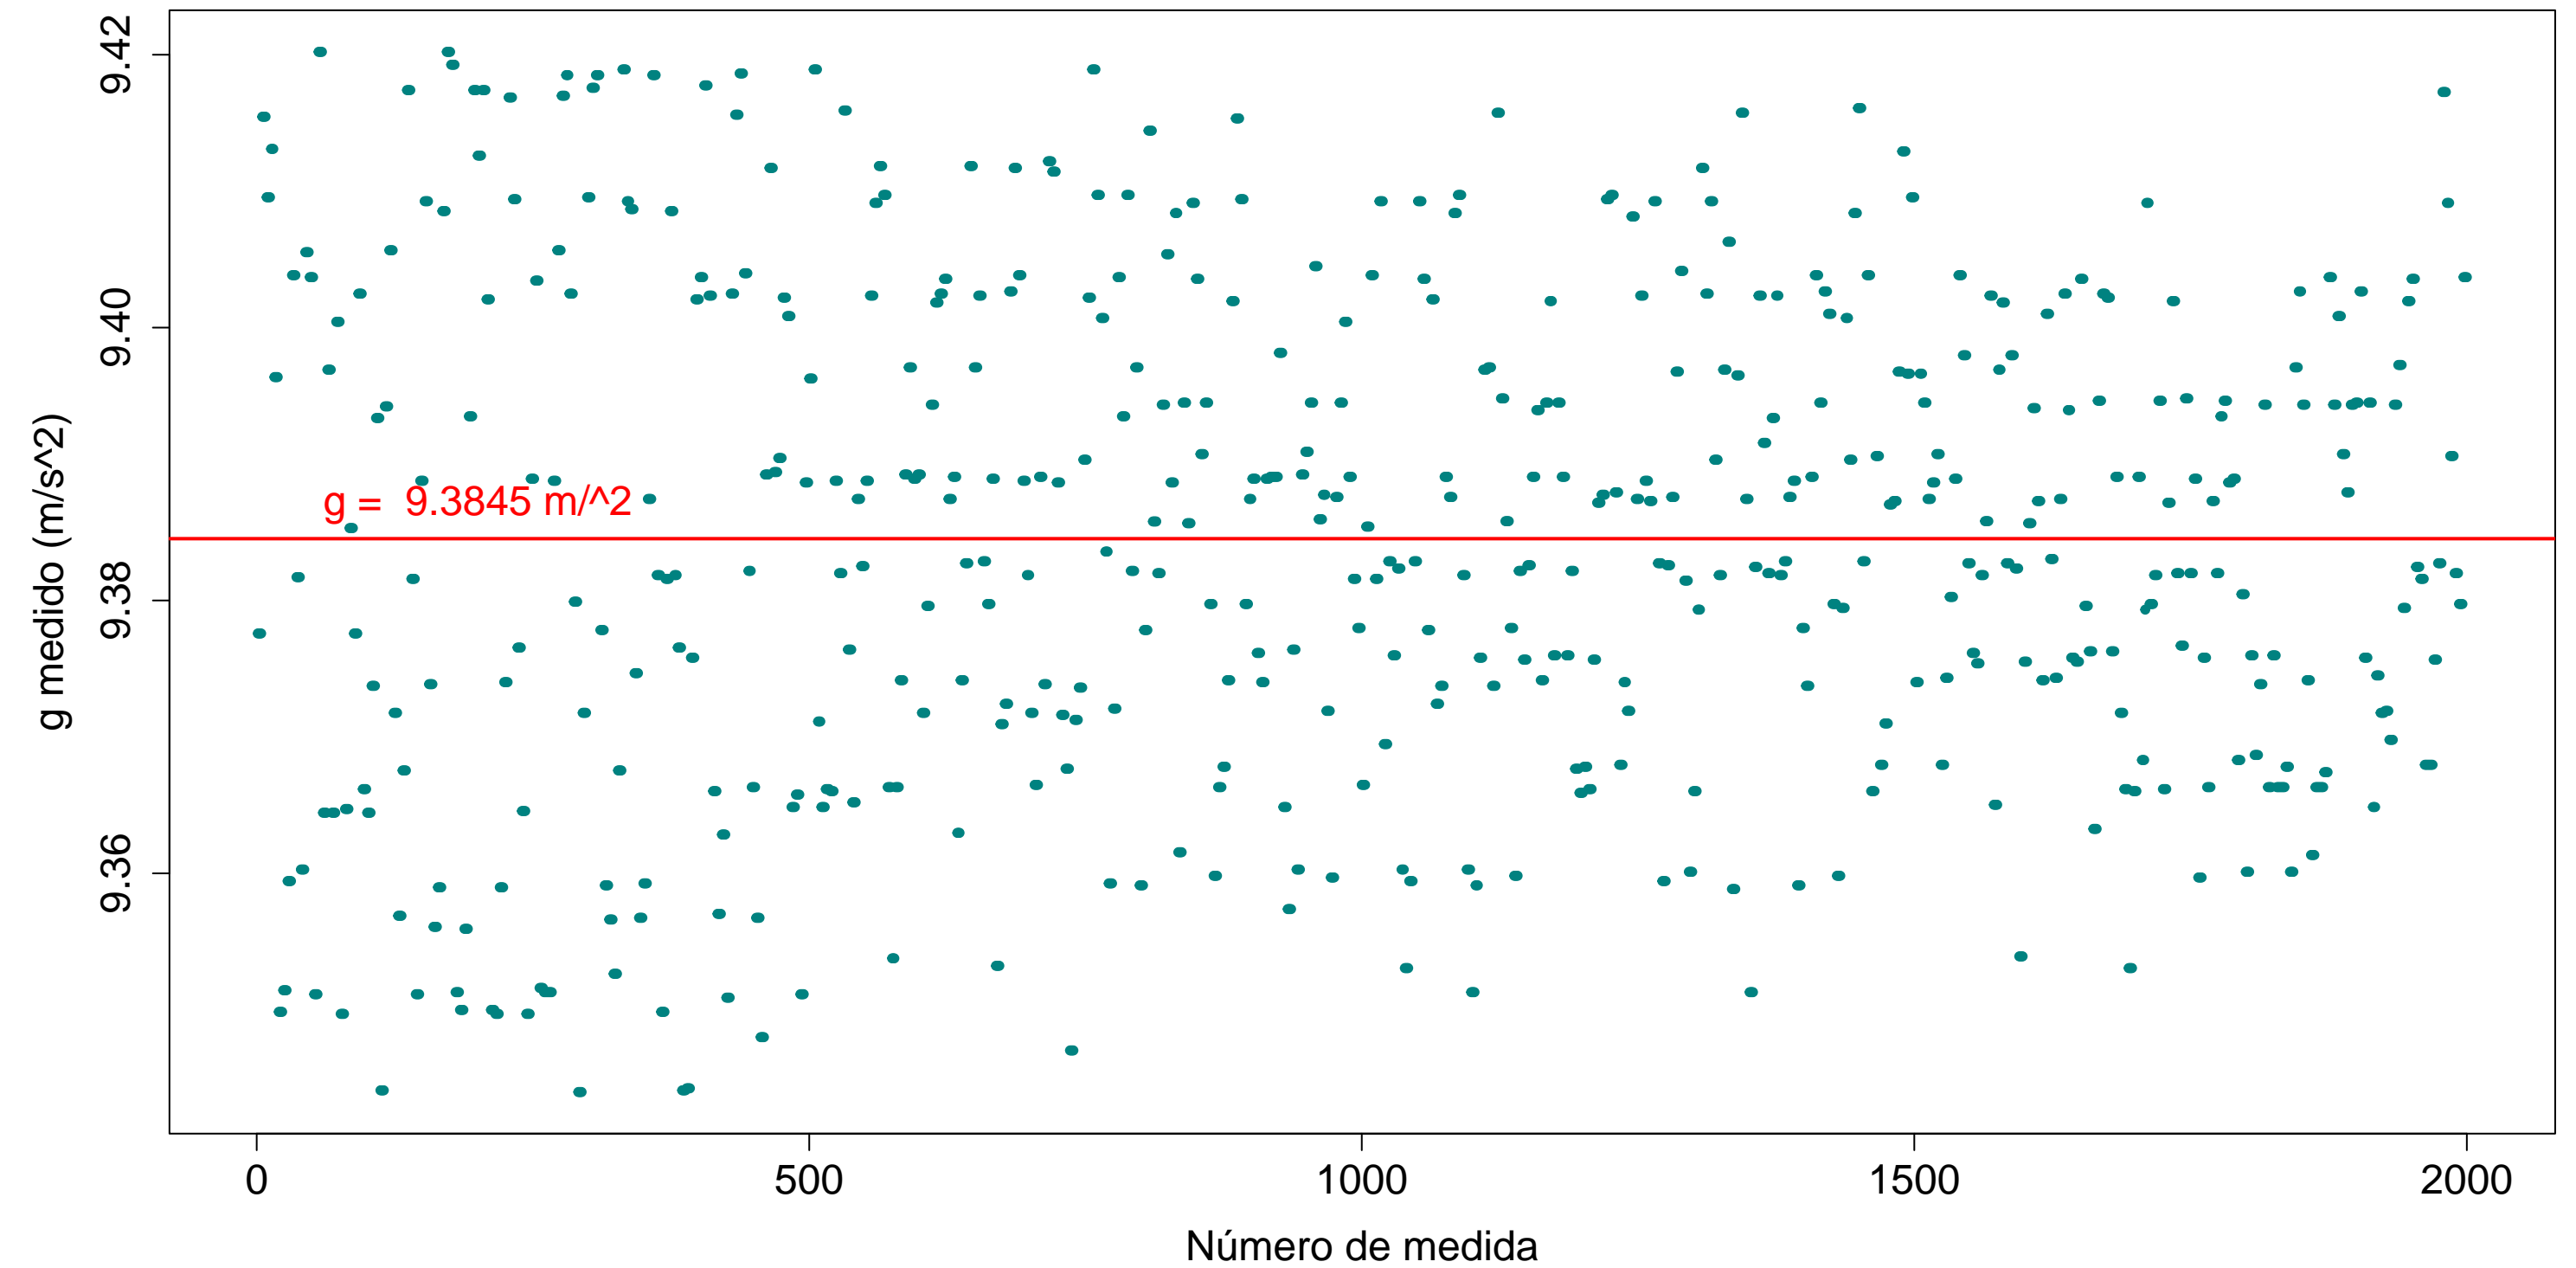

g de $\theta = 20$

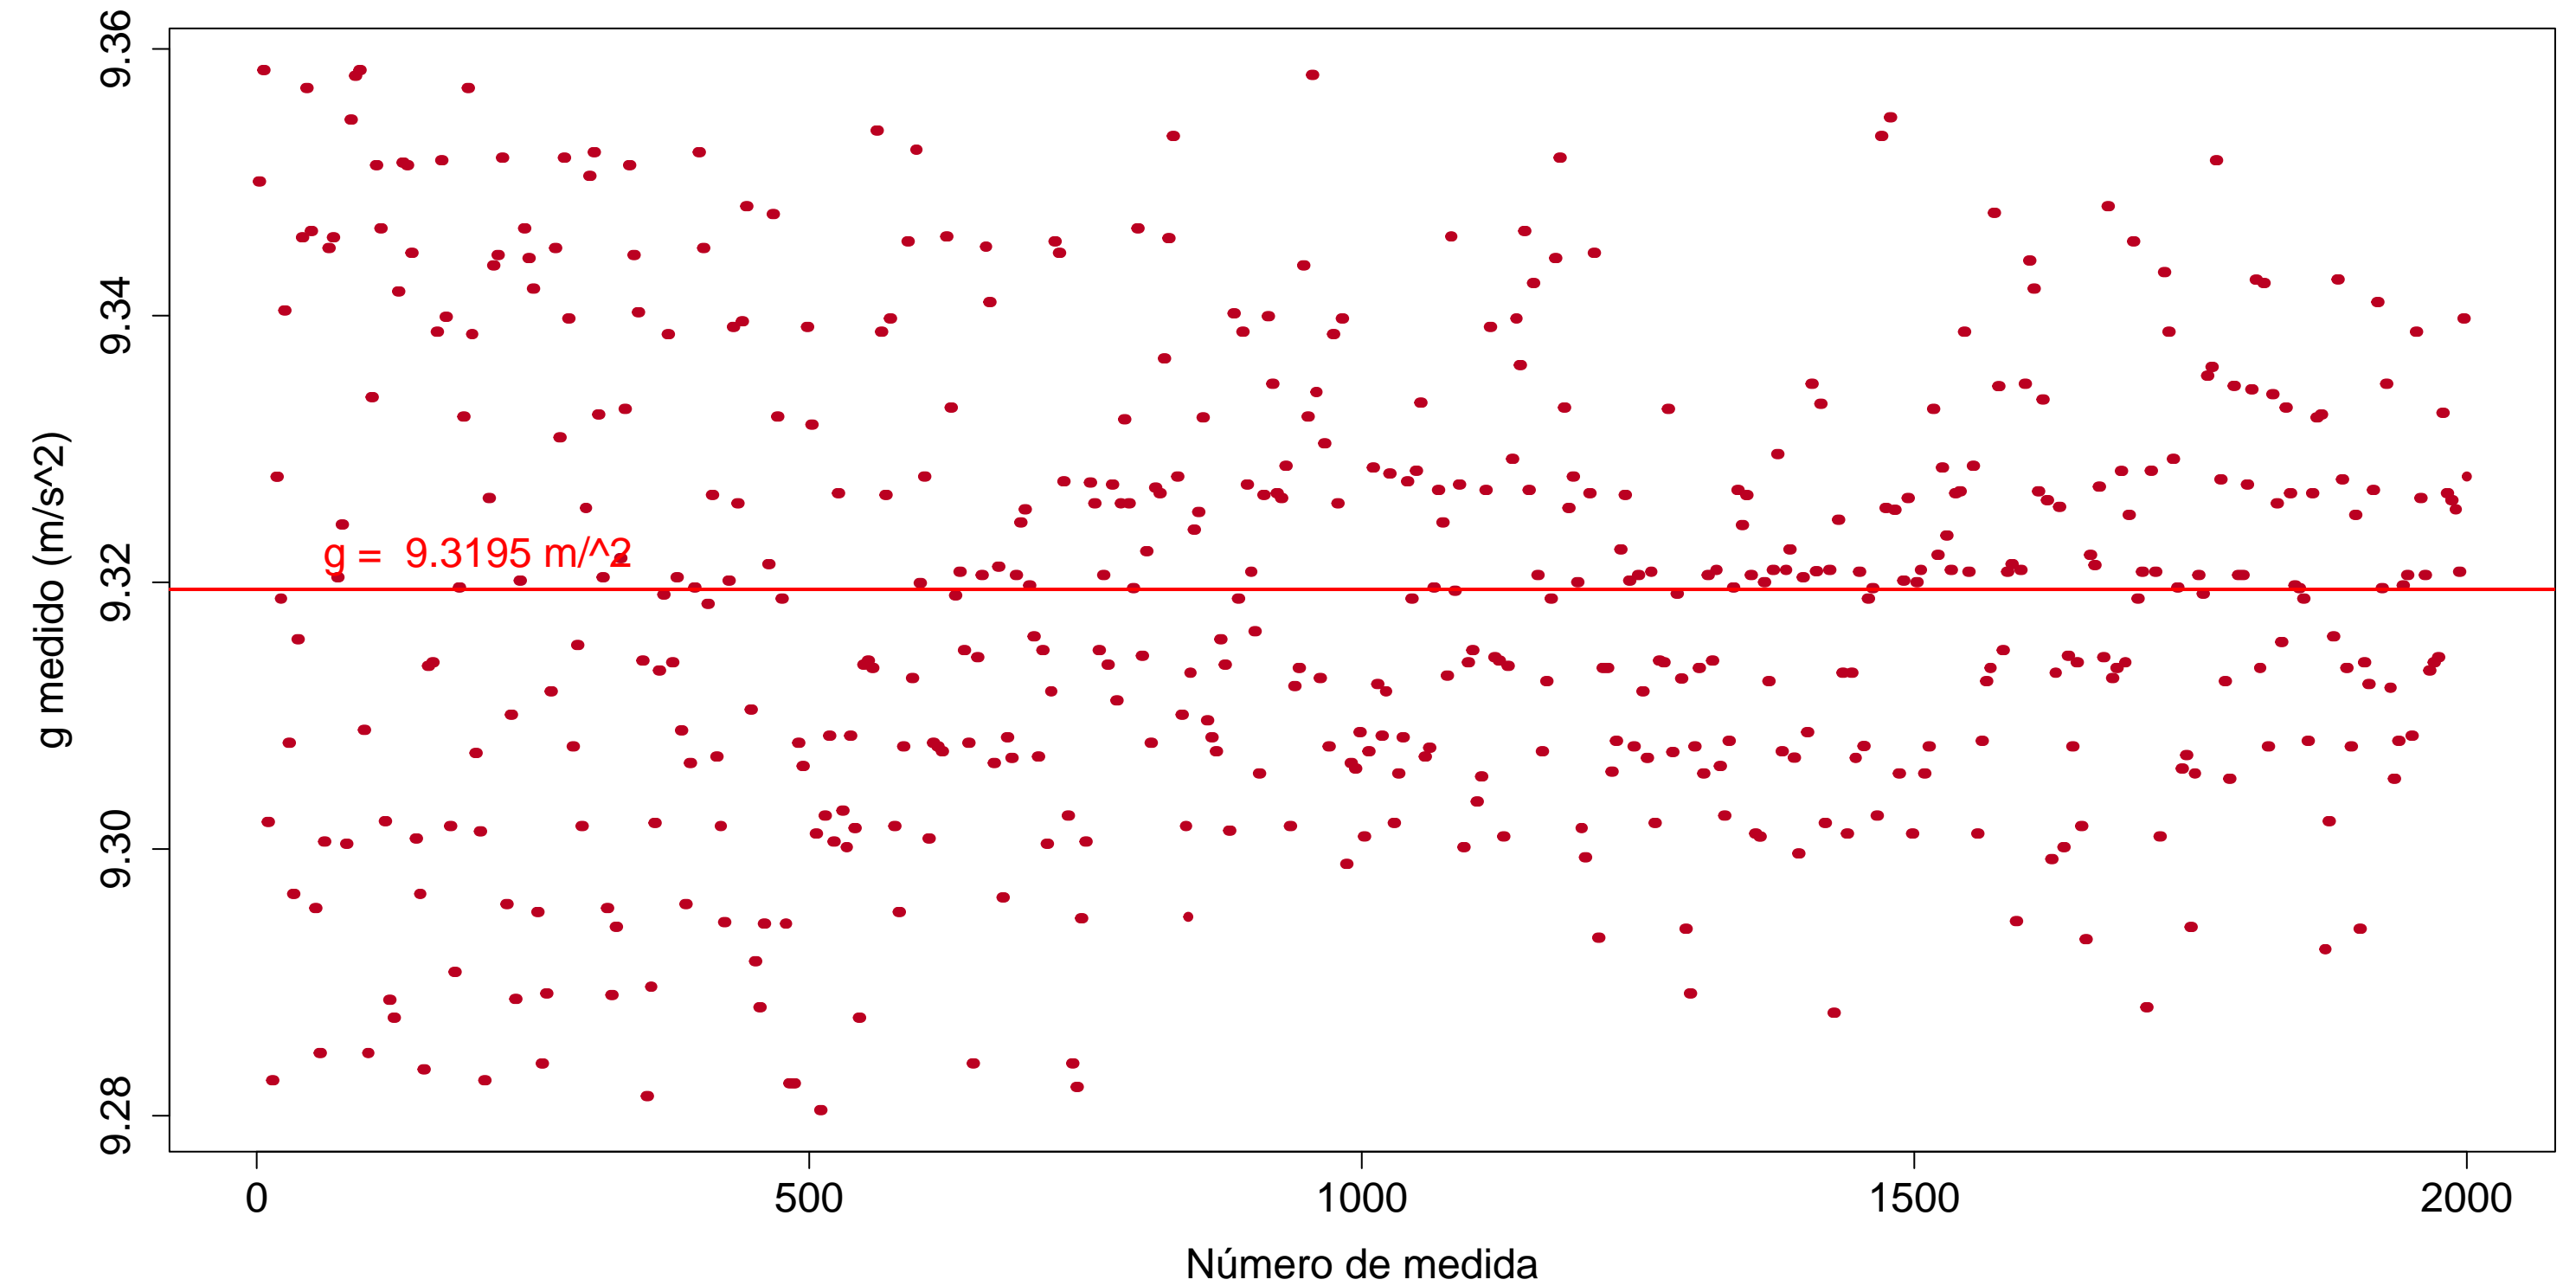

g de $\theta = 30$

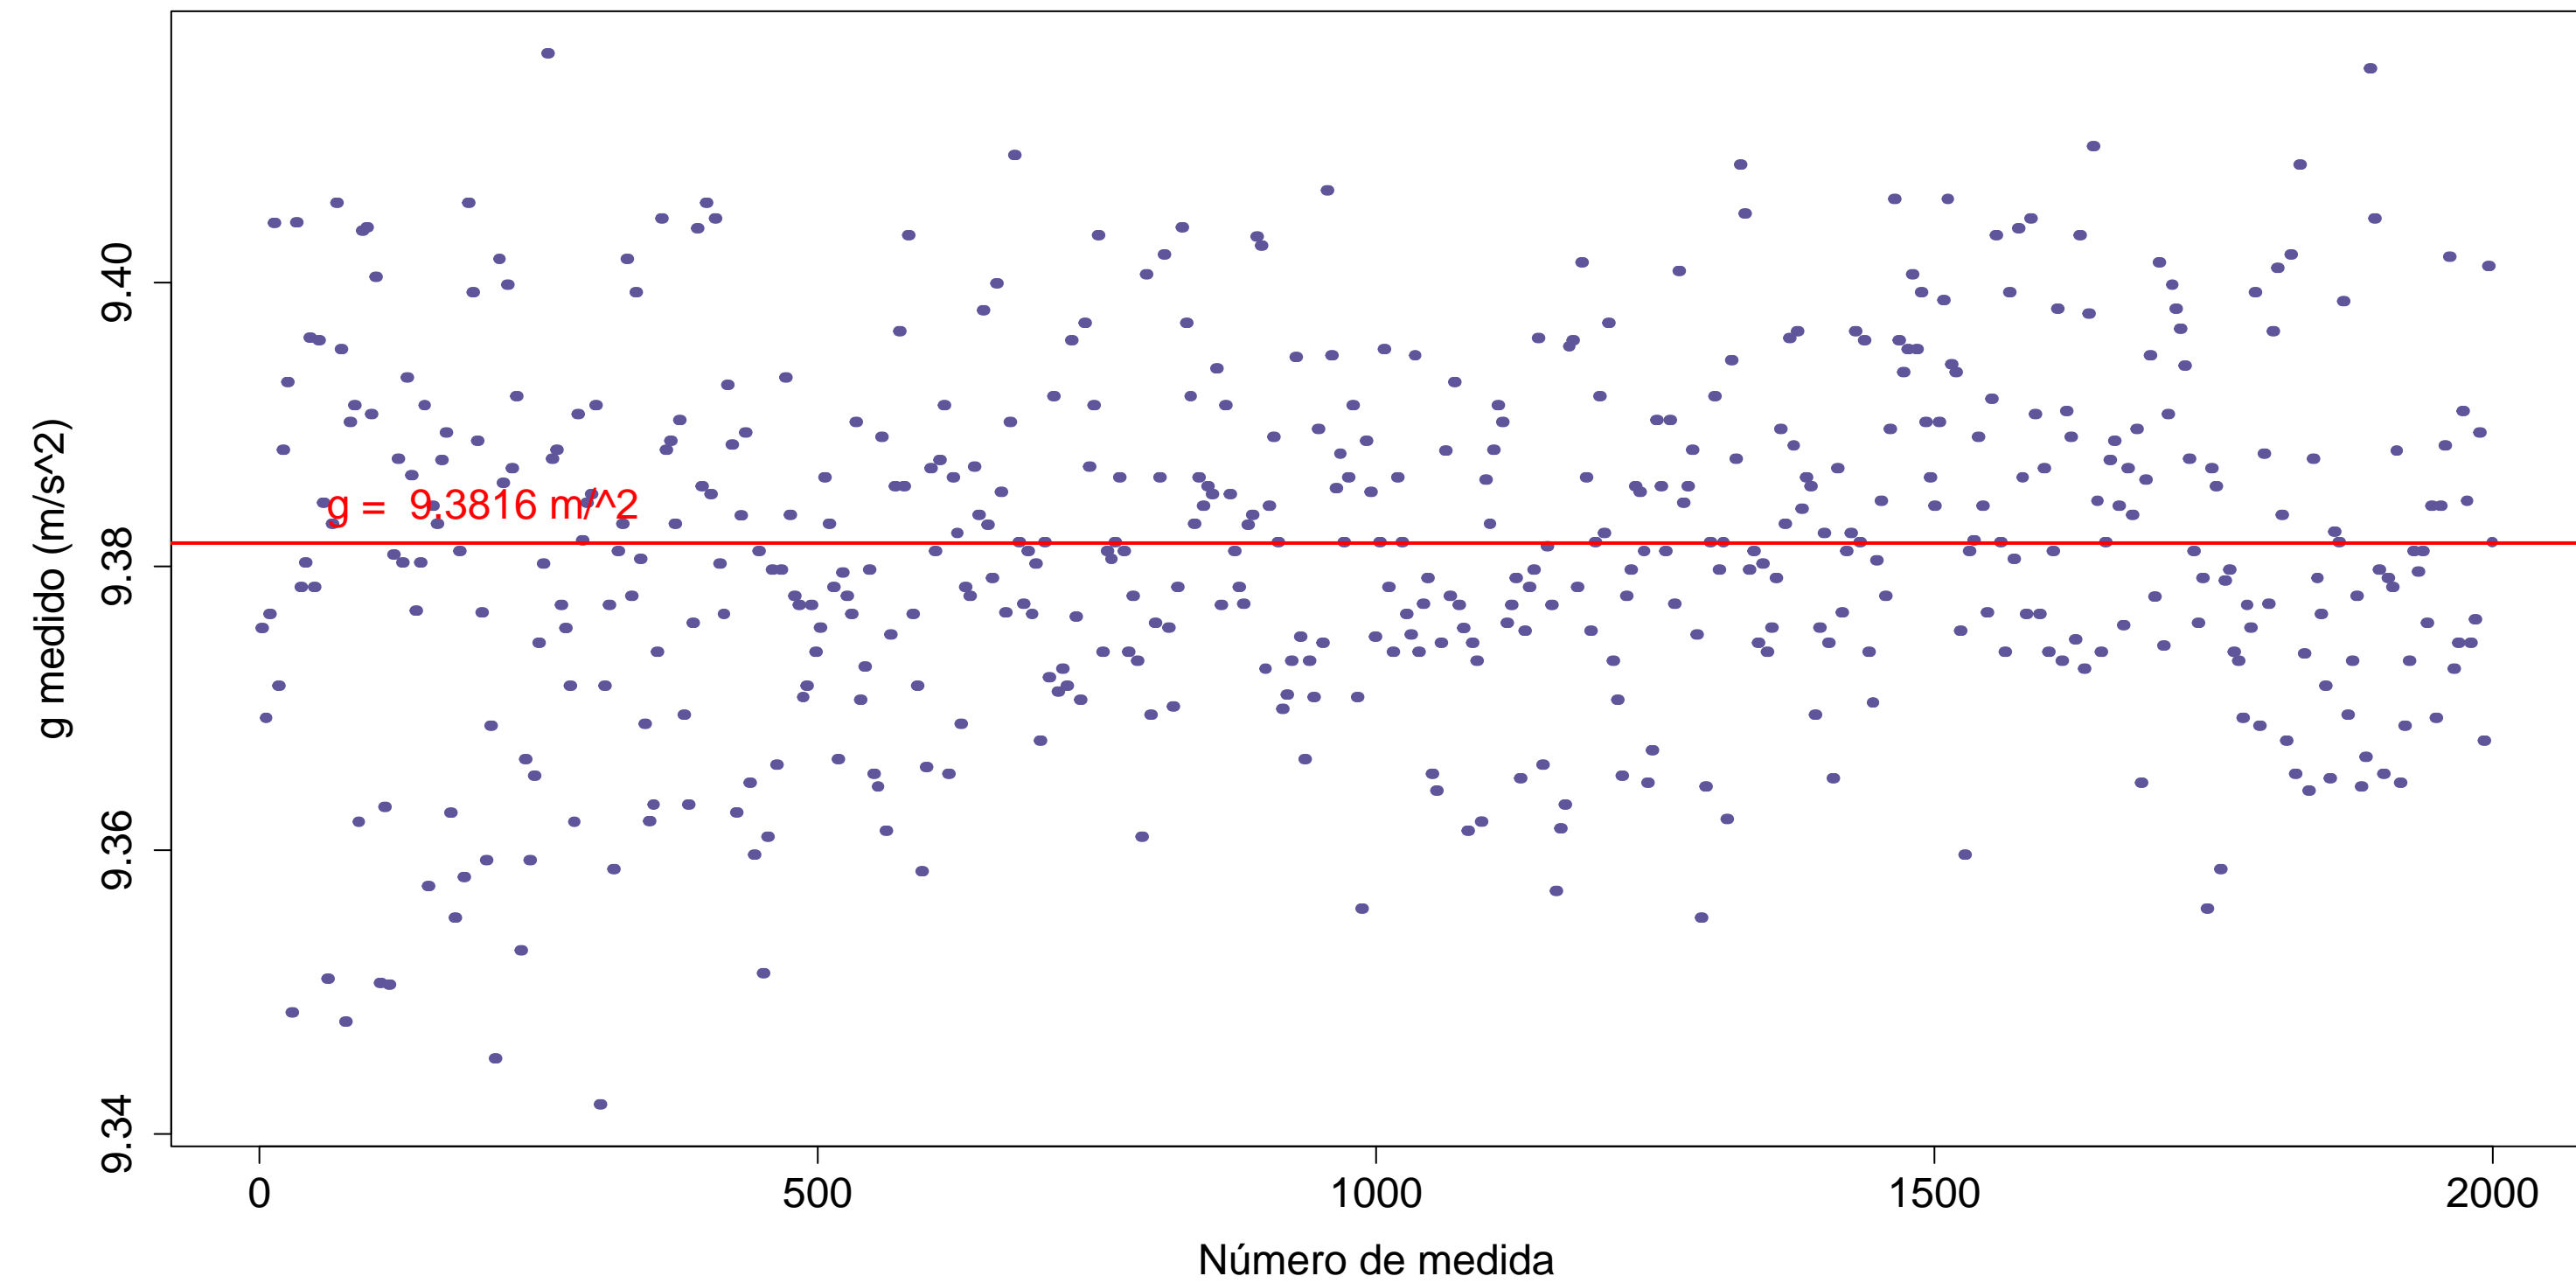

g de $\theta = 40$

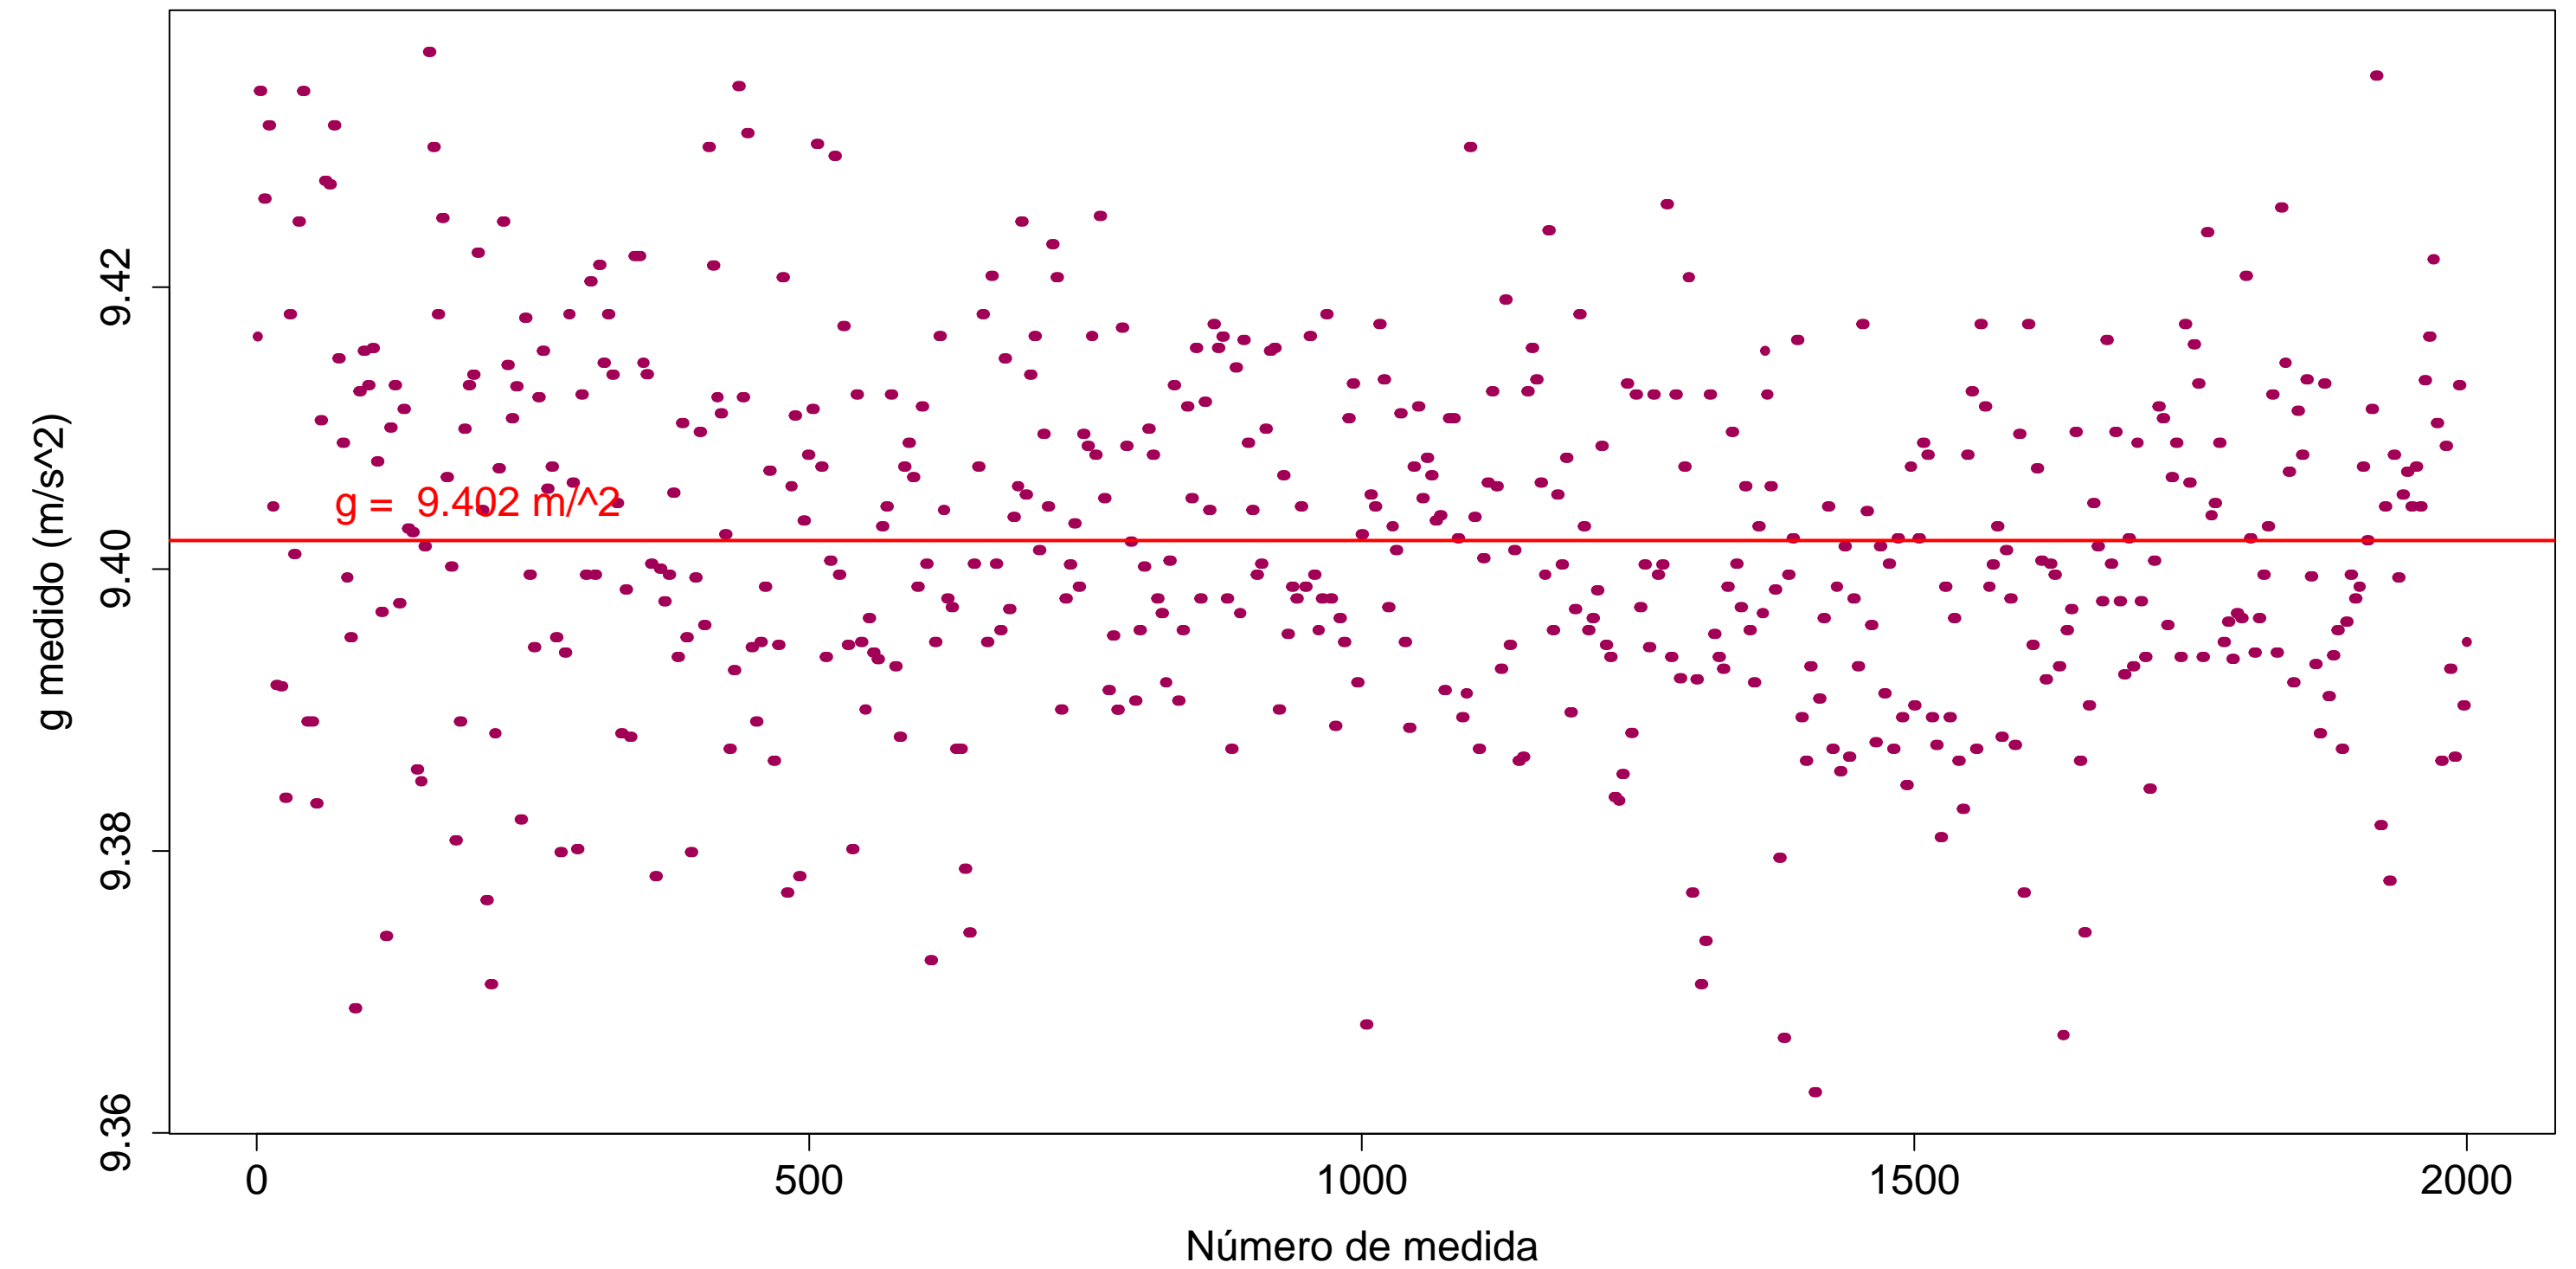

g de $\theta = 50$

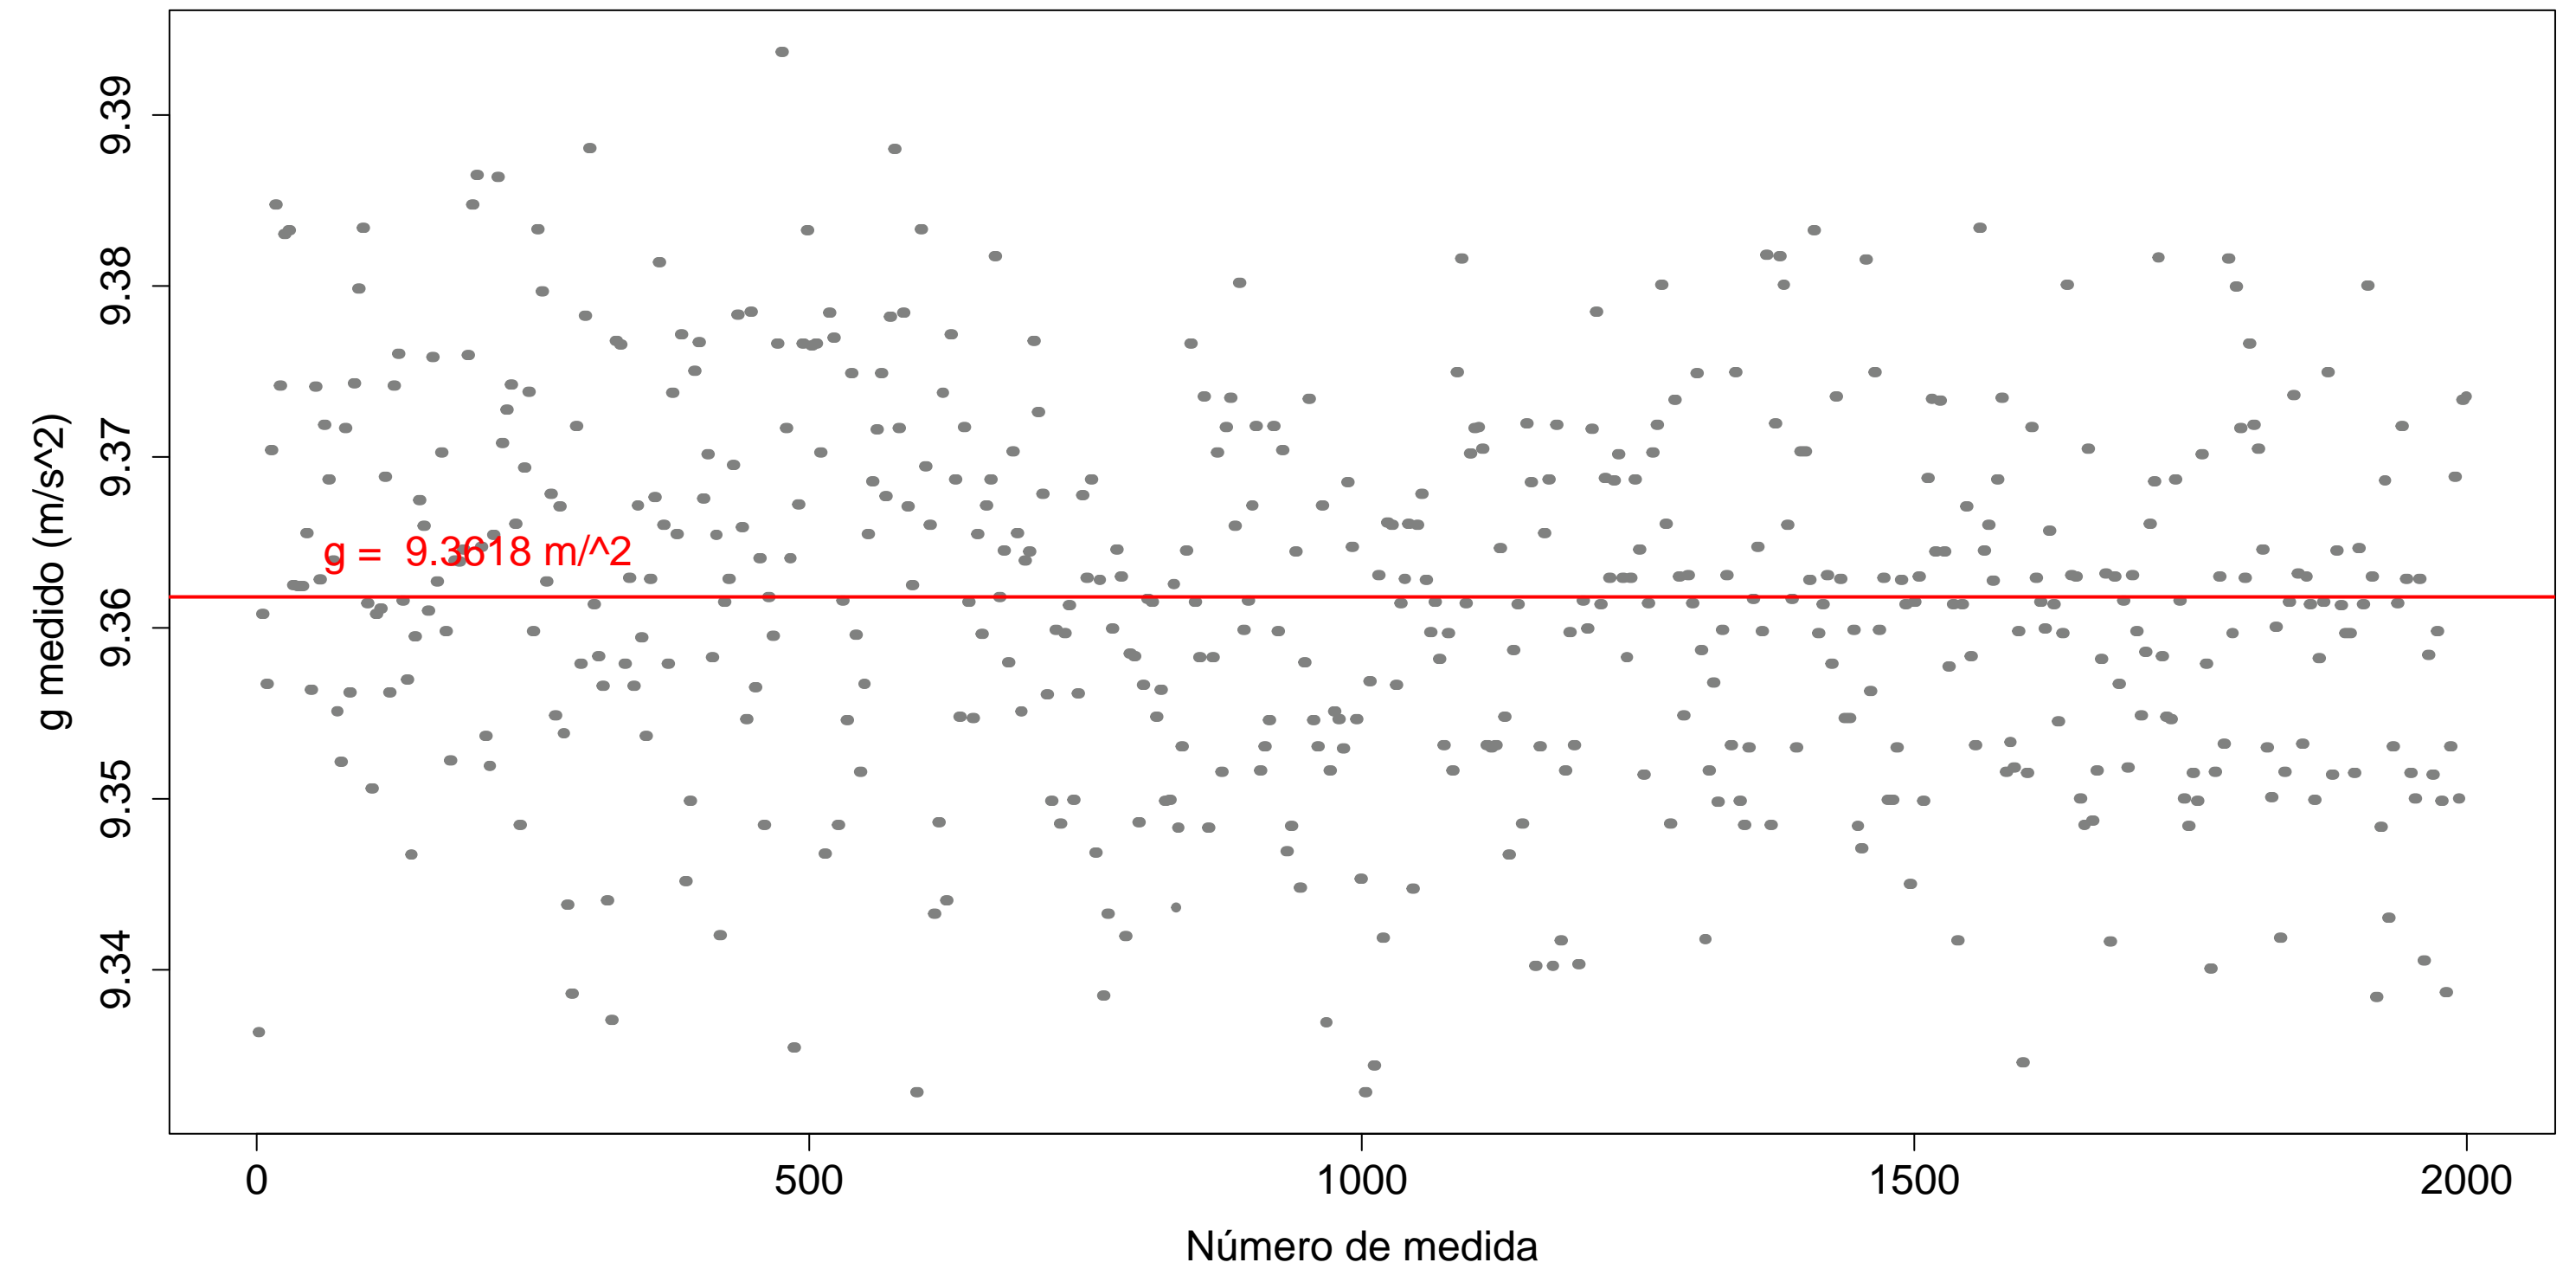

g de $\theta = 60$

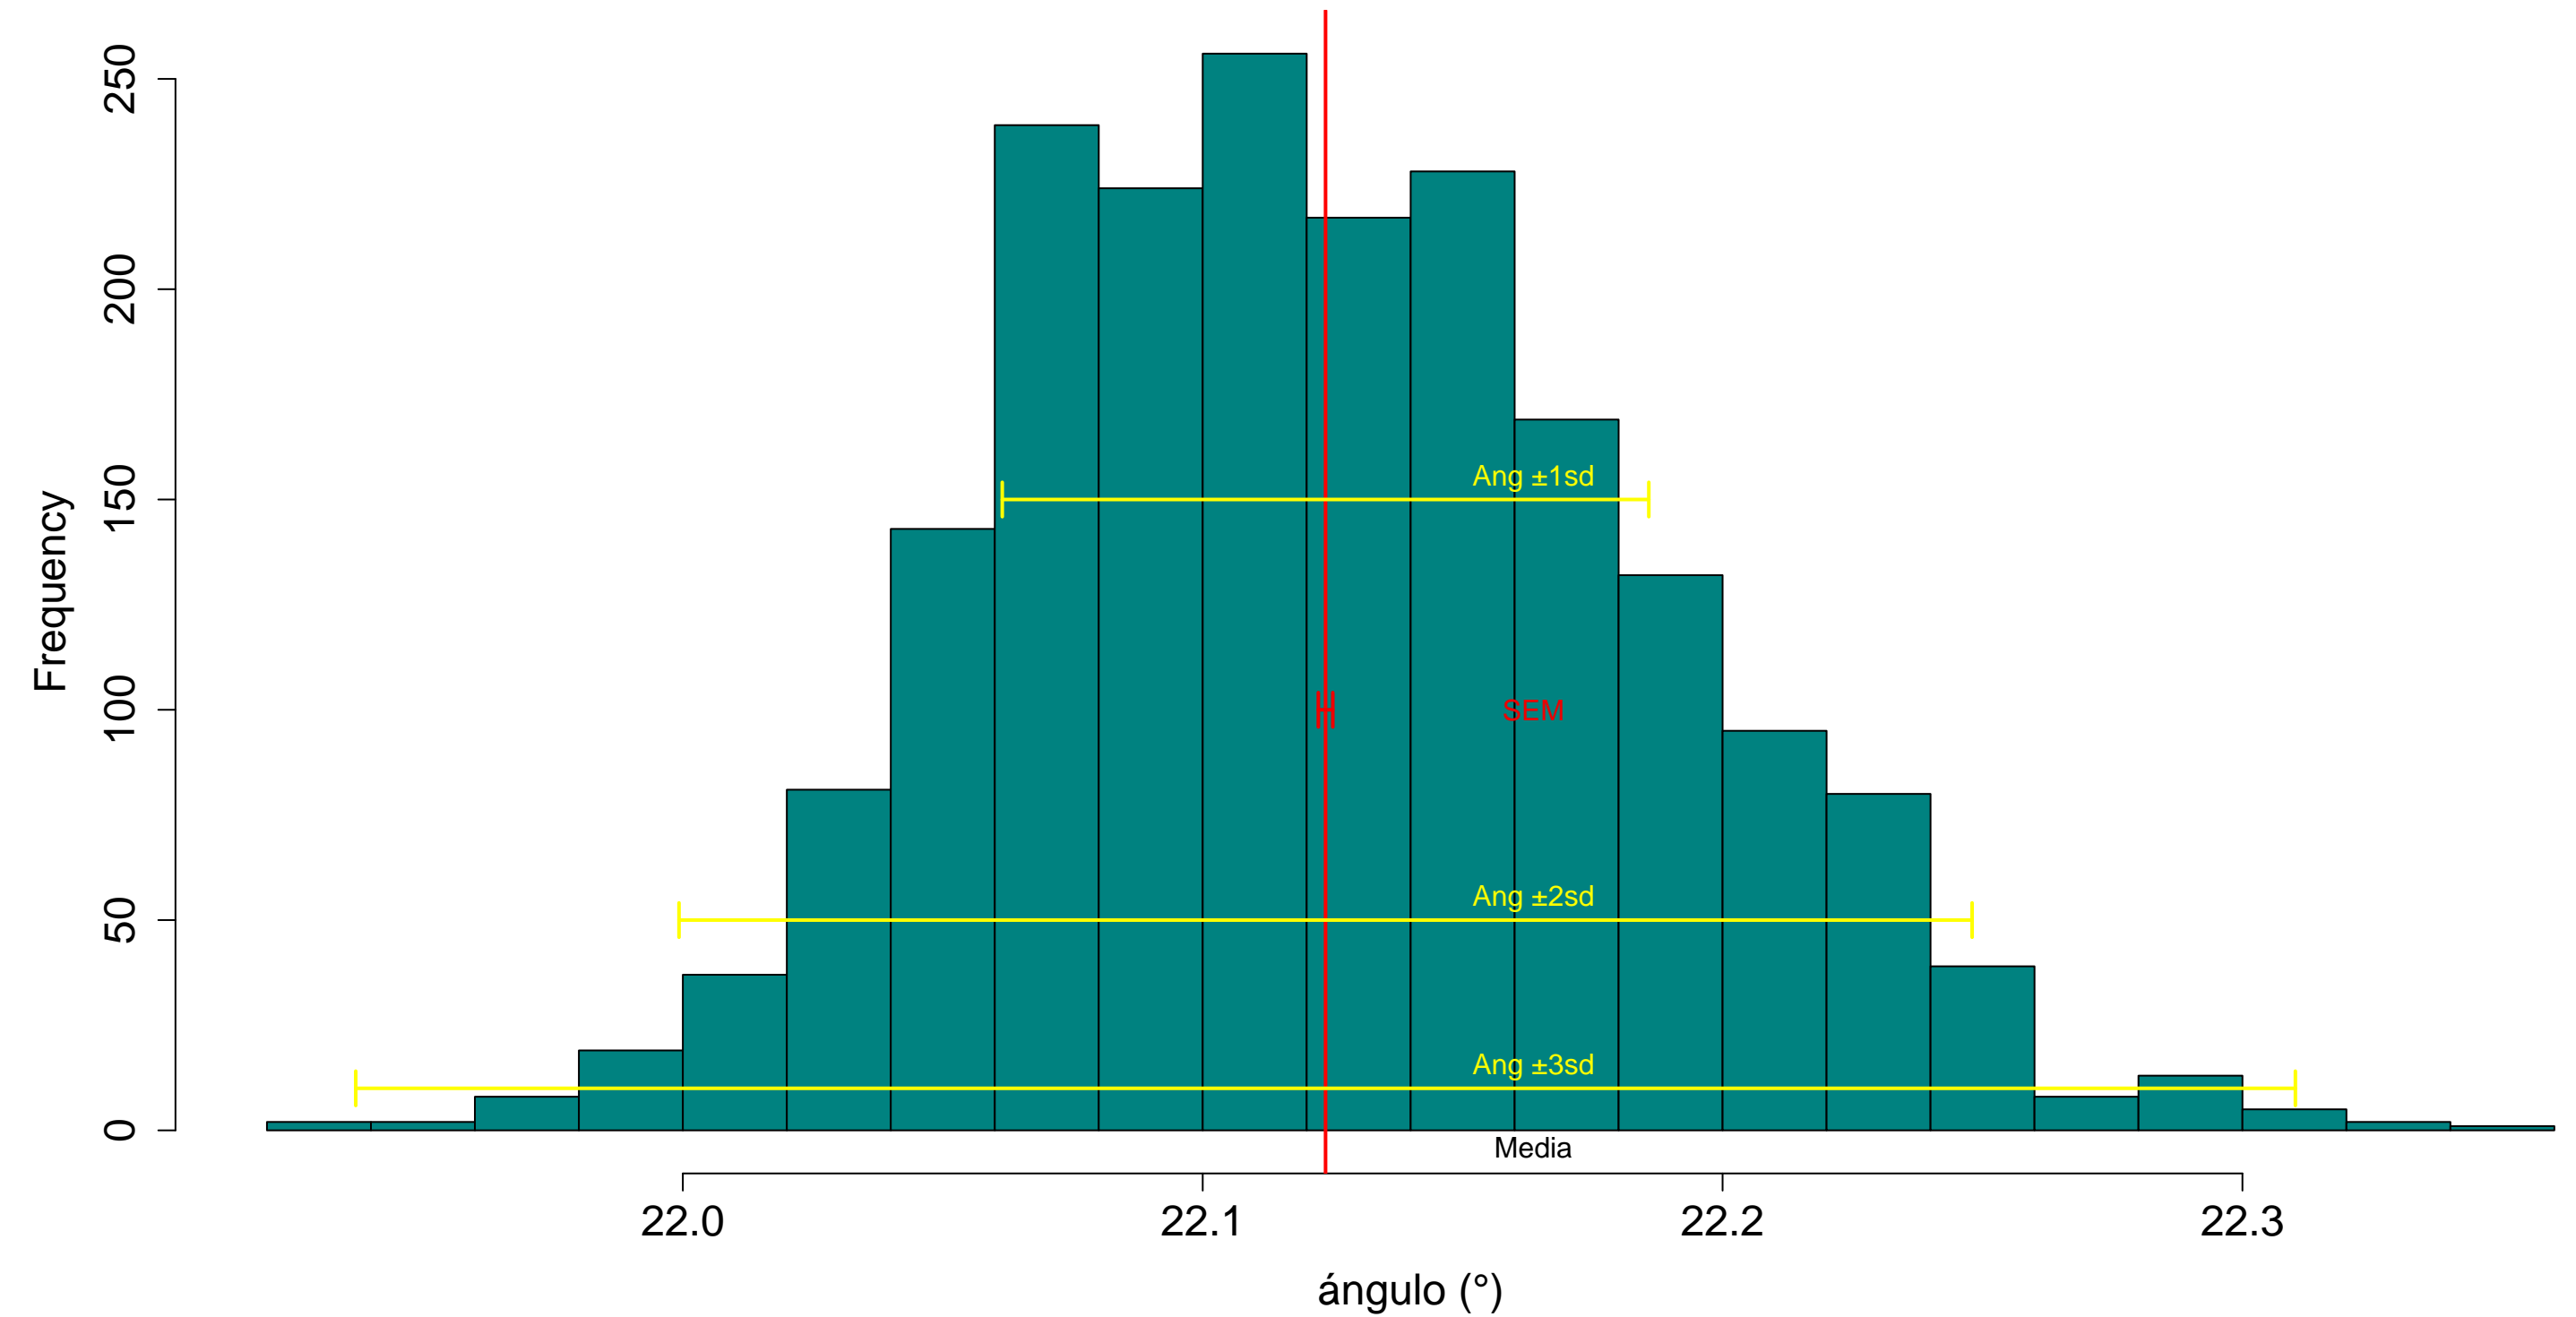

g de $\theta = 70$

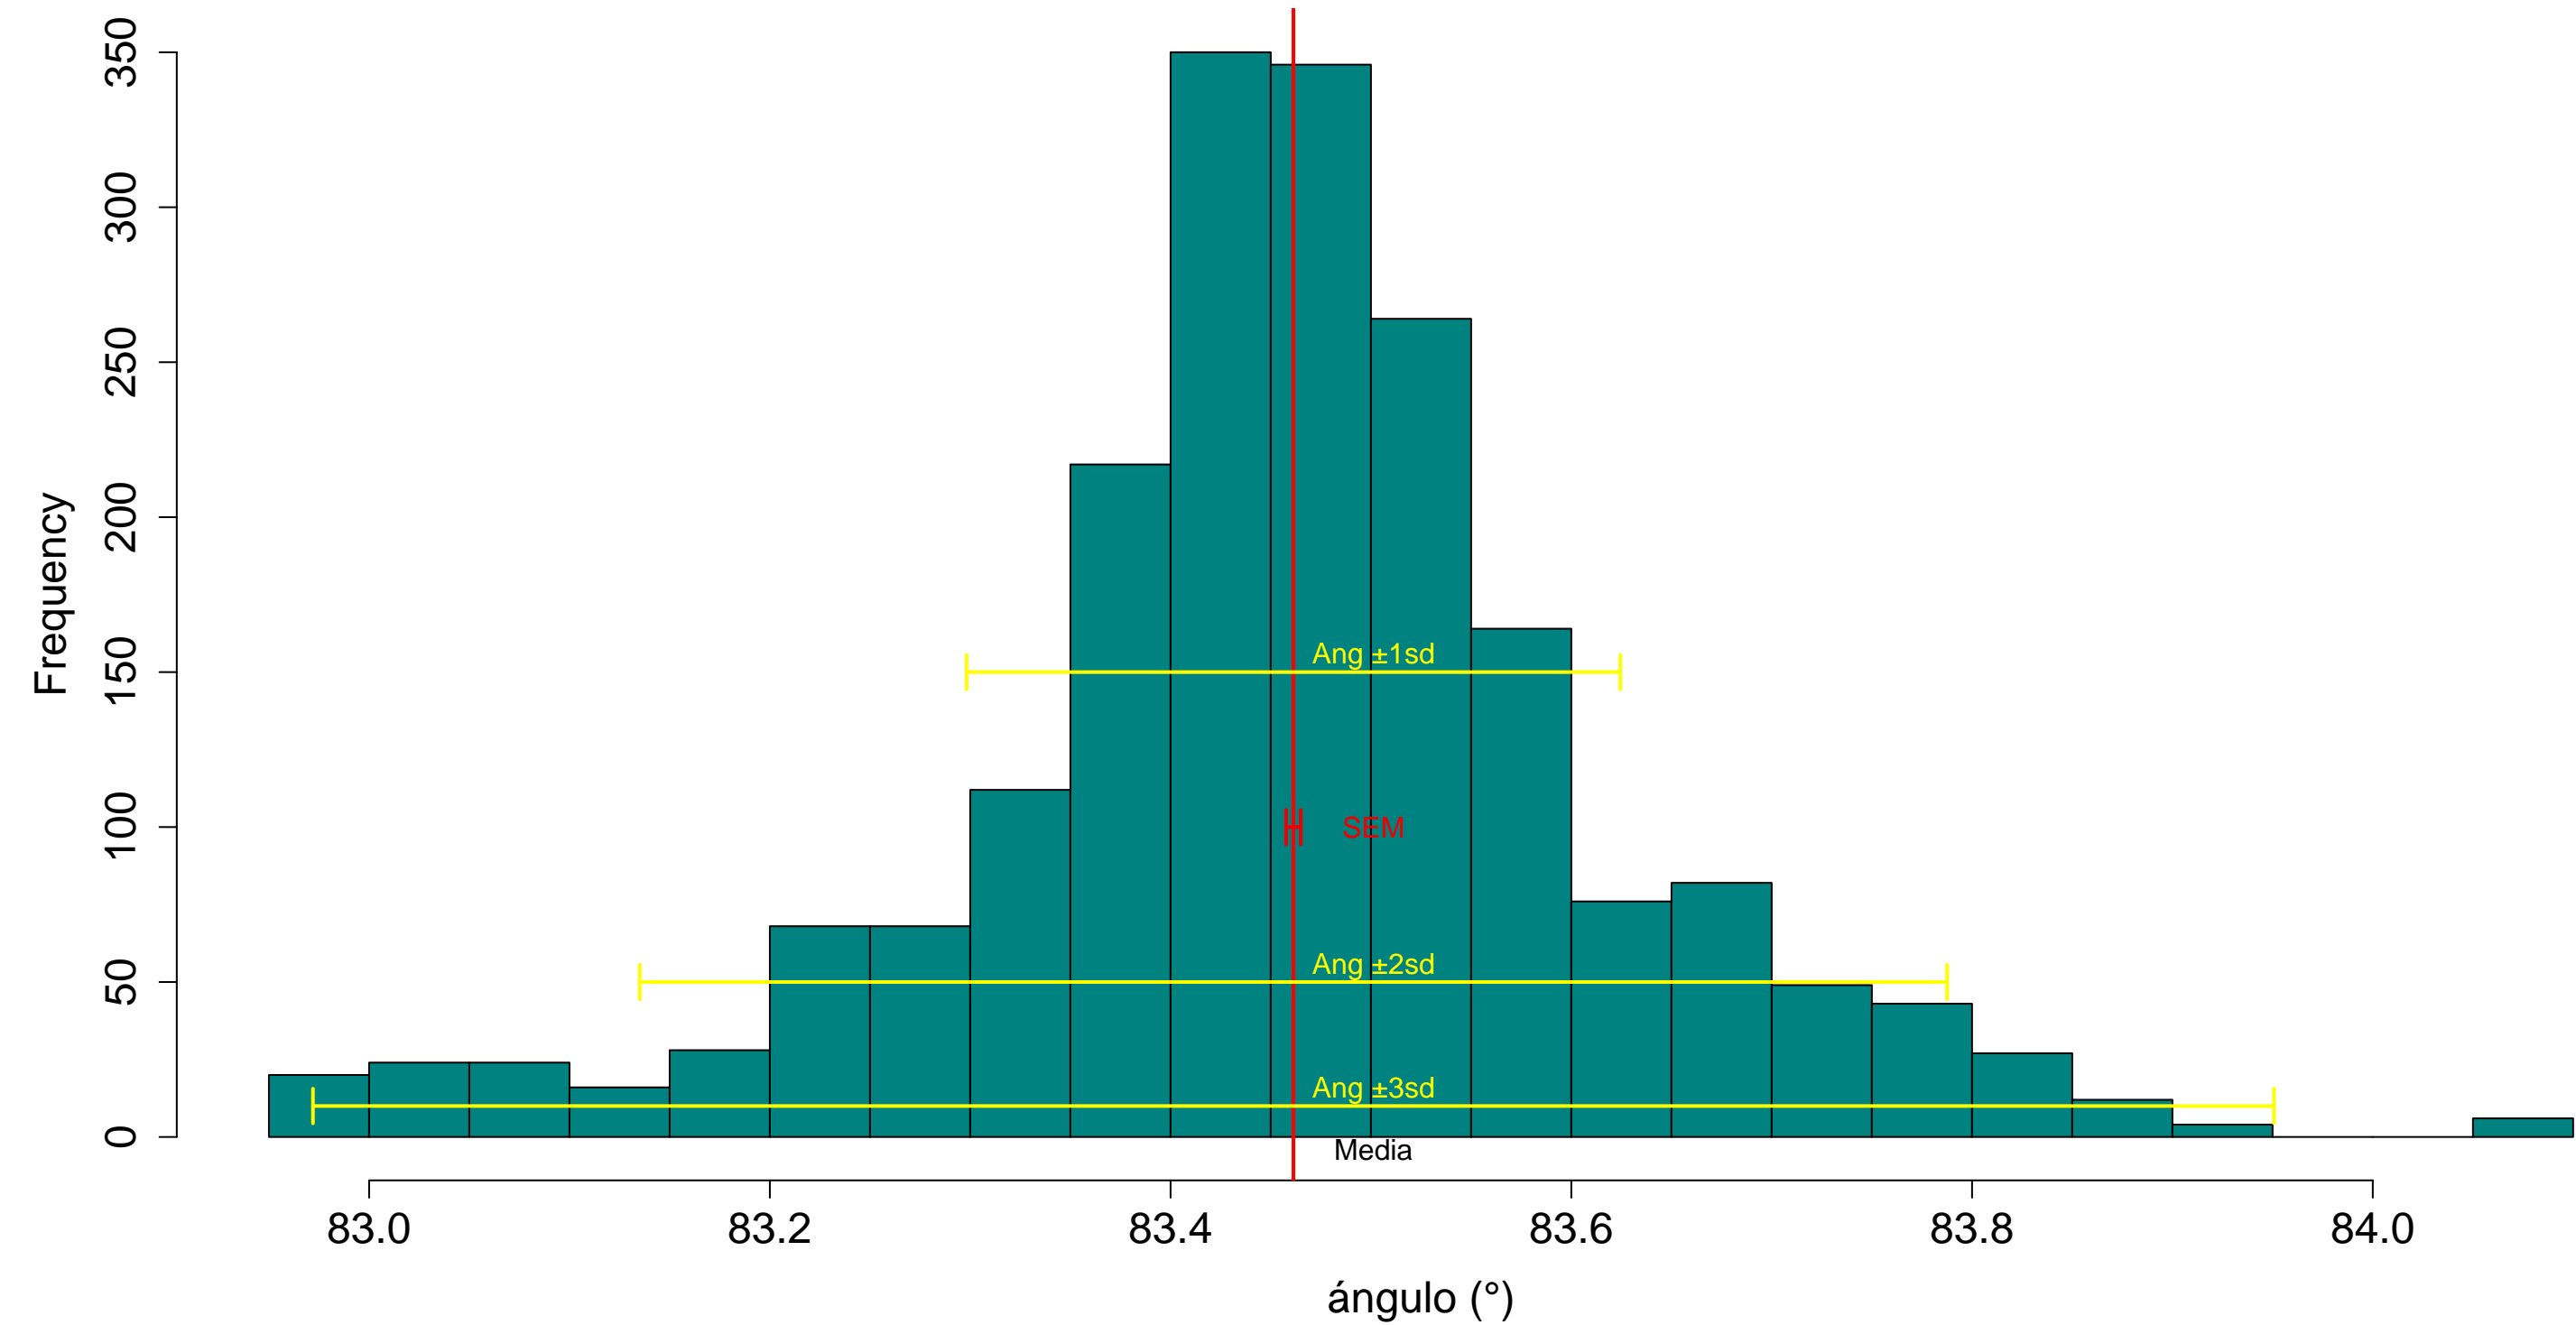

g de $\theta = 80$

20 ángulo, con sd mínimo

80 ángulo, con sd maximo

Curva de calibración
